WORK:

DOREMUS | New York, NY | 11/16 - 01/18 | **Freelance Animator**

Built, and creatively collaborated to produce, animation shorts, billboard motion graphics and HTML5 banners for Hewlett Packard Enterprise and CSC merger, in addition to HTML5 advertisements for technology focused GTI and Vertiv. Also served as on-site animation specialist for one-off projects and presentations.

BBDO | New York, NY | 10/13 - 10/15 | **Senior Flash Developer**

Directed and produced digital advertisement animations for Hewlett Packard products, such as ink and printers, and services, such as ink delivery and Information Technology management. Also created videos and exploratory animations to help invent new products and services for the HP future.

Tribal DDB | New York, NY | 4/13 - 12/13 | **Senior Lead Creative Developer**

Led all animation development for NFL Fantasy Football web advertisements. This entailed custom NFL logo animations, player movement, 2D and 3D space motion graphics, and After Effect video effect integration. Also managed a team of developers as the workload quickly grew.

McGarryBowen | New York, NY | 5/12 - 12/12 | **Senior Interactive Developer**

JWT | New York, NY | 11/09 - 2/12 | **Flash Developer / Art Director**

As JWT was the agency of record for Microsoft, I was put in charge of creating the master animations for many digital campaigns that were seen by millions in a multi-lingual audience worldwide. I also led the motion look and feel for pharmaceutical giant Johnson & Johnson.

Your-Majesty Co. | New York, NY | 05/08 - 11/08 | **Senior Developer**
